

CHINLONE SHORT RECAP

Second CHINLONE Meeting & Conference
Naypyidaw, 3 – 5 September 2018

Erasmus+

CHINLONE PROJECT

CHINLONE is a three years (2017-2020) international project funded by the European Union in the frame of the Erasmus+ Capacity Building Key Action 2.

Its key aim is to contribute to the modernization and internationalization of Higher Education in MM in order to facilitate the country's transition towards a 'knowledge economy'.

PROJECT SPECIFIC OBJECTIVES

1- Modernization of MM's Universities management systems and capabilities, especially in drafting academic programmatic documents according to innovative and internationally recognized HE principles

2- Reinforce capacity to design programs, teaching activities and produce innovative knowledge by local teaching staff.

3- Establishment or restructuring of IROs in MM's partner universities.

4- Strengthening of collaborations between EU and MM's universities for the exchange of academic knowledge at different levels.

CHINLONE PLATFORMS

Management Platform : Dialogues on Quality Assurance Models; Drafting of Quality Assurance Plans; Governance, Structuring and Planning International Relations;

New IROs

The background of the slide is a close-up photograph of numerous small, spherical objects made of woven bamboo strips. These objects are arranged in a dense, overlapping pattern, creating a textured, three-dimensional effect. The lighting is soft, highlighting the natural tan color and the intricate weaving of the bamboo.
