

## Plan to update the website of Dagon University

**www.dagonuniversity.edu.mm**

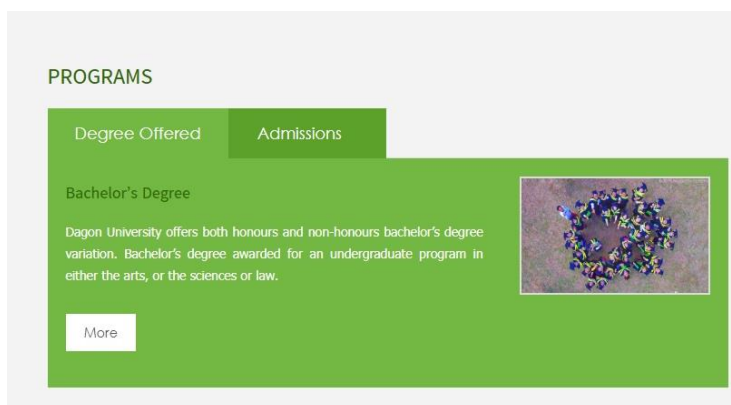

The background of the website will be changed to white colour.

### Changes on Home page

The logo of Dagon University will be increased in size and the word "Dagon University" will be changed into light green colour. Menu bar will be changed into light green colour and the words will be into white colour.

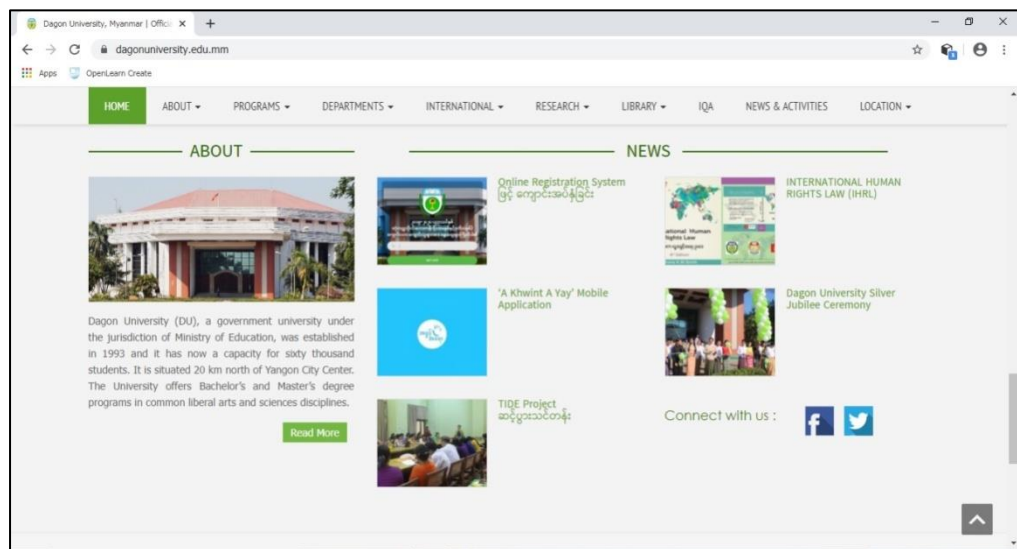

As the **Program** appears in two places, Program box will be removed though program Menu will be remained. Program box will be relaced with Vision, Mission and Motto.

The student's life here will be kept remain and the photos concerned with the activities of the students will be shown.

The new version of Profile video will be added.

In the place of "About", DU's Update News will be added connecting with Facebook page of DU. And then, News and Activities will be shown on slide show.

On the menu bar, there will be altogether 10 menus, namely, Home, About, Programs, Departments, International, Research, Library, IQA, News and Activities and Location.

- Home Menu will be updated as the way mentioned above.
- Under About Menu, "Welcome & History" and "Fact about DU" will be remained and added "Location."
- "Programs Menu" will be kept remain.
- Although there are academic departments mentioned under "Departments Menu", so as to distinguish between Arts and Science departments, Arts relating majors will be put under title "Arts & Science Arts" and Science relating majors will be put under title "Science".

- Under the title "International Menu", in addition to the current "IRO Menu", the activities and projects of DU and the other international universities which have signed MoU with DU.
- Next to International Menu, ERASMUS ++ Menu will be added. The current "CHINLONE Menu" will be remained with the current information. Another sub menu will be added with the name "DU's Activities of CHINLONE Project". Under that sub menu,

### **Chinlone's Objective**
