1. Academic activities carried out at the host university

Please give a brief description of the academic activities performed at the host university and the knowledge received thanks to the training emphasizing on your performance and the outcomes.

____During my visit to the University of Granada, I carried out the following academic activities.

- In 9-10 -2019, we went to the Faculty of Science and Education and we met three professors. They explained about their course curriculum and teaching and research methodology. We discussed about the curriculum development and teaching systems of the respective department of the University of Yangon and University of Granada.

-In 10-10-2019, I went to the Faculty of Psychology together with the head of Psychology Department of Yangon University, Myanmar to meet and discuss with the Dean of Faculty of Psychology of the University of Granada.

-In 11- 10-2019, we went to Faculty of Human Resources and Labour Relations to meet the dean of the Faculty of Labour Sciences. I learned and discussed a lot about the

degrees offered by the Faculty of Human Resources and Labour Relations, the main goal of this degree, career opportunities, postgraduate plan and study plan, and subjects especially relating to Law subject.

- In 14-10-2019, I went to the Faculty of Philosophy for the meeting with the Philosophy Coordinator with the Head of Philosophy Department of the University of Yangon.

-In 15-10-2019, I went to the Faculty of Economic to meet the team of internationalization of the Faculty of Economic with all members of Myanmar team. We discussed about the economic and tourism especially the curriculum and syllabus about the respective subjects relating to tourism subjects. This meeting is very effective for the new course of Tourism Subject of our Universities in Myanmar.

-In 16-10-2019, we met with Domingo Barrera, Director, and Centre for Development Cooperation Initiatives (CICODE), responsible of mobility with Myanmar. He explained briefly about ERASMUS-K107 with Myanmar. And then, we went to the Faculty of Labour Sciences for meeting with Pedro Garcia, responsible of internationalization of International School of Postgraduate Studies.

In 17-10-2019, I went to the Faculty of Law and I met with Francisco Balaguer Callejon, the Professor of Constitutional Law, University of Granada. We discussed about undergraduate and post graduate study plan, career opportunities for Law students, law subjects and legal research method. He is a good teacher and researcher. Therefore, I got a lot of knowledge from him.

In 18-10-19, we went to Quality building and met Jorge Expósito López, Director of Teachers Development Office. He explained about reflecting methods and FIDO Work plan by University of Granada (UGR). His presentations and discussion is very interesting and it was valuable time for us.

2. Your stay at the host university

Please describe your stay and personal experience at the host university, e.g. interaction with local staff including fellow professors and researchers.

First, I would like to express my heartfelt thanks to Dorothy Anne Kelly, Vice – Rector for Internationalization, University of Granada for invitation us to visit the University of Granada to participate for Erasmus+KA2 CBHE Project (CHINLONE Project) for two weeks. I am also grateful to Aurora, Director of the Data, Information and Prospective Office for her patiently arrangement and kindly help to us. We were very convenience for accommodation, transportation, communication and meeting with the professors and researchers. I also want to thanks to professors from respective faculties of University of Granada for their contributions and sharing their knowledge and information .I got new, valuable experiences and knowledge during the time when we stay at the University of Granada. I got not only educational knowledge but also the rights to learn the cultural and language while living in Granada, Spain.

3. Returning to your home country

Please describe how you plan to apply the knowledge and experience acquired during your mobility upon your return to your home country.

___When I come back to my home country, Myanmar, I have many plan to do for my educational field. Firstly, my home University, University of Yangon has been trying to offer the bachelor of Tourism. So, we need to make the effective curriculum and Syllabus for Tourism subject. I will contribute and participate to implement this program as possible as I can. Secondly, I want to share the research methodology, different teaching and learning methods and dissimilar educational systems of the University of Granada in my academic field. I will share my new educational and cultural knowledge and experience to my professors, colleague and students in my
