

UNIVERSITY OF YANGON
MINISTRY OF EDUCATION
INTERNATIONAL COOPERATION OFFICE (ICO)

Vision

Our vision is to foster a **Global Campus** Community where through mutual understanding and respect, all Academic Disciplines transform and grow together and also aims to be the most **representative** and **influential global association of diverse higher education institutions** and **their organizations**, promoting and advancing a dynamic leadership role for higher education in society. Learning from this environment, members of our community will take these shared experiences and carry them forward through life.

Missions

The mission of the **International Cooperation Office (ICO)** is to provide services and programs for the diverse disciplines at the University of Yangon by accomplishing its core work to serve the international Academicians, facilitate international education, and foster a Global Campus Community

The International Cooperation Office has the following **missions**:

- Creating opportunities for student mobility and faculty exchange through international collaboration and scholarship;
- Developing and exchanging cultural activities with students from both regional and International universities;
- Promoting collaborative faculty and student research activities between University of Yangon and International universities;
- Offering assistance to international students and scholars; and
- Providing a platform at UY for international discussions on issues of academic quality and institutional governance.

Strategic Plan

The Strategic Plan includes input from diverse stakeholders across the UY campus and community. The Five Years Strategic Plan (2017-2022) is a guiding document for the **International Cooperation Office** as it advances its mission and its core work that serves the international academicians, facilitates intercultural and international education, and fosters a global campus community. Further, four focus areas were identified with strategic goals and actions, to be accomplished by 2022.

Priorities Strategies;

- Enhancing staff and student capacity
- Making setup the Internationalization strategy
- Promoting values-based leadership in higher education
- Enhancing the role of technology in higher education

ICO fulfils its goals through:

- Expertise development & trends analysis
 - Publications & specialized portals
 - Advisory services
 - Training & peer-to-peer learning
 - Knowledge sharing events
-
