Chinlone training days

- > Took place on Zoom on the 14th, 21st and 28th October 2020
- > Uppsula University, International Relation Office, Sweden
- The aim of the training days is to contribute to the modernization and internationalization of the HES in Myanmar, in order to facilitate the transition of the country toward a knowledge economy.
- ➤ More specifically, the trainings address 1. Governance of international relations 2. Practical issues connected to student mobility 3. Outreach, networking
- Presentations Uppsala University present its organization and practices within international mobility work, and its outreach and visibility work
- Bologna University talked about governance of international relations
- ➤ Workshops after the presentations the participants participated in workshops discuss the Bologna and Uppsala University example-evaluate which aspects could be implemented in our universities

- ➤ How do you see your IRO office in 5 years?
- > What do you need to do in order to reach there?
- ➤ What are the hindrances, and enabling factors?
- ➤ If you need to prioritize, what are the 2-3 actions you will chose to do?
- > This is what we arrived at
