

Roundtable Conference on Internationalisation for Academic and Administrative Staff University of Kelaniya

on 23rd August 13.30 – 15.00 hours online

Universities around the world are moving comprehensively towards internationalisation, and University of Kelaniya is no exception. Internationalisation is the process of developing, implementing and integrating an international, intercultural and global dimension into the purpose, functions and delivery of higher education. Obtaining the expertise of international staff, staff and student mobility, research collaborations and capacity building are identified as major actions for internationalisation. These actions will lead to improving the quality, graduate employability, ranking visibility on an international platform.

The Centre for International Affairs is organising a Roundtable Conference on Internationalisation to reflect upon a journey of one decade of Erasmus partnerships and to share the knowledge and expertise of academic and administrative staff on Erasmus Staff Mobility. The Keynote Address will be held by the Vice Chancellor, Senior Professor Nilanthi de Silva.
