**Opportunities for International
Student Exchange & Mobility**

InRO
International
Relations Office

International Relations Office

Develop and sustain comprehensive, effective internationalization programs that are academic, research and administration based to increase global engagement for students, and staff.

Functions of the International Relations Office

To initiate and facilitate Memorandum of Understandings (MoUs) and Agreements for collaborative teaching and research activities with various institutions throughout the globe.

To promote, coordinate and administrate the exchange of international scholars and students.

To contact funding organizations for international mobility of students and staff (Academic and Non-Academic)

To increase international mobility programs for students and both academic & non-academic staff of the University.

To monitor, maintain and update international relations of the University.
