Internationalisation through EU Funded Projects: Reaching new heights

Erasmus Projects

- **Funded by the European Commission**
- **Thousands of staff and student mobilities taking place annually since 1987.**
- **What was earlier confined to mobility within Europe, the programme added global dimension in the subsequent years by encouraging collaborative projects with non-EU partner universities.**

- **University of Kelaniya first benefitted from an Erasmus Mundus project from 2014 - 2019 that gave mobility opportunities to many students and staff while receiving incoming staff and student mobility from the EU**
- **Through this project the visibility of University of Kelaniya in the international higher education sector increased rapidly and many new partnerships were established**

- **Since 2014 over 140 staff and student mobility grants have been secured by the university while receiving over 100 guest professors and administrative staff and a number of students from the EU on incoming mobility**
- **Since March 2020 more than 2500 students and 100 staff have benefited from Virtual Mobility**
