Reasons for Internationalization

- **In the past, internationalization means student mobility**, but now the concept is much wider and is a strategic process
- At national level: political, socio-economic, and cultural, **but also academic.**
- Academic reasons: **international branding and profile, quality enhancement/international standards, student and staff development, income generation, strategic alliances and knowledge production** (Knight, 2018)

JAPANESE GOVERNMENT
SCHOLARSHIP 2023
(MONBUKAGAKUSHO – MEXT)

The Government of Japan will award scholarships to Sri Lankan Students under the Monbukagakusho (Ministry of Education, Culture, Sports, Science and Technology: MEXT) Scholarship scheme 2023, in the categories of **Postgraduate Research, Undergraduate and College of Technology**. Selection of candidates will be done through an examination conducted jointly by the Embassy of Japan and the Ministry of Education.

For the **Postgraduate Research Program**, those who have completed 16 years of school education with the standard study period of three years or more at universities or equivalent educational institutions are eligible to apply.

For the **Undergraduate/College of Technology Programs**, those **who have passed G.C.E. A/L, only in Mathematics stream**, desirably (but not necessarily) with a basic knowledge of Japanese, are eligible to apply. The applicant can apply for **ONE SCHEME ONLY**, either for the Undergraduate Program or the College of Technology Program.

Prospective candidates are kindly requested to forward their applications to Ministry of Education, No 18, Ward Place, Colombo 7 on or before 3rd June, 2022. Application forms can only be downloaded from the website of the Ministry of Education.

CHULABHORN
ROYAL ACADEMY
Chulabhorn Graduate Institute

Chulabhorn Graduate Institute Post-graduate Scholarship for Academic Year 2023

The Chulabhorn Graduate Institute (CGI) is a multidisciplinary post-graduate academic institute established in 2005, under the initiative of Professor Dr. Her Royal Highness Princess Chulabhorn Mahidol. The aim of CGI is to employ the most recent interactive teaching techniques used in leading educational and research institutions to produce effective thinkers and leaders to better serve their countries' needs towards sustainable development. The CGI is presently offering programs leading to Master's and Doctoral Degree in Applied Biological Sciences; Environmental Health, Environmental Toxicology, and Chemical Sciences.

This year, 15 (fifteen) scholarships are available for international applicants to pursue a Master's Degree study at the CGI. Selection of applicants will be based on merit.

Eligibility

Scholarships are open to the eligible applicants who meet the following qualifications:

- 1) Under 30 years of age
- 2) Hold a Bachelor Degree with a cumulative GPA of at least 2.75 in one of the following fields:
 - o Sciences: Chemistry, Biology, Biological Sciences, Molecular Biology, Environmental Sciences
 - o Medical Sciences: Medicine, Medical Technology
 - o Pharmacy or Pharmaceutical SciencesApplicants from other related fields are also welcome to apply.
- 3) Have experience in scientific laboratory research
- 4) Must have demonstrated English proficiency, preferably on one of two recognized test of language proficiency (TOEFL, IELTS)
- 5) Must provide a statement of purpose explaining their interests in the study

Sri Lanka Full Bright Commission - <http://www.fulbrightsrilanka.com/?p=6195>

The screenshot shows a web browser window displaying the Sri Lanka Fulbright Commission website. The browser's address bar shows the URL <http://www.fulbrightsrilanka.com/?p=6195>. The website header features the Fulbright logo and the text "Welcome to the United States - Sri Lanka Fulbright Commission". Below the header is a large image of a tea plantation. A navigation menu below the image includes links for "News and Events", "Publications and Forms", "Newsletter", "Archives", "University of the week", "Education USA updates", and "Site Map". A secondary navigation bar contains links for "Home", "Legacy", "Sri Lanka", "Fulbright Commission", "Awards & Fellowships", "EducationUSA Advising Center", "Alumni", and "Contact". The main content area features a prominent link for "Master's Awards Application Instructions 2022-2023" with a "Download" button. A sidebar on the right titled "Recent Posts" lists several articles, including "Internship Opportunity with the US - SL Fulbright Commission!", "2023 Fulbright Scholar Awards - Informational Session on All Awards Highlighting the Newest Active Award, Fulbright National Archives Heritage Science Fellowship", and "SCHOLARSHIP ALERT: FULBRIGHT - NATIONAL ARCHIVES HERITAGE SCIENCE FELLOWSHIP - CURRENTLY ACCEPTING APPLICATIONS!". The Windows taskbar at the bottom shows the system tray with the date 29/09/2022, time 19:17, and temperature 75°F.

Foreign – Popular Calls – JSPS Postdoctoral Fellowships in Japan

The screenshot shows the website for the Japan Society for the Promotion of Science (JSPS) Postdoctoral Fellowships for Research in Japan. The browser address bar shows the URL jsps.go.jp/english/e-fellow/. The page features the JSPS logo and name in both English and Japanese. Navigation tabs include "About Us", "Programs", and "How To Find Us/Contact". A breadcrumb trail indicates the current location: [TOP](#) > [Programs](#) > [International Fellowships for Research in Japan](#) > [Postdoctoral Fellowships for Research in Japan](#). A "MENU" sidebar lists various links, including "International Fellowships for Research in Japan", "Top", "Program Outline", "Summer Program", "About the Program", "Application Procedure", "Program Guidelines for Successful Fellows", "Comments and Past Programs", and "Report". The main content area features a large heading "JSPS Postdoctoral Fellowships for Research in Japan" with a colorful background of dots. Below the heading, a paragraph states: "To promote international scientific cooperation, the Japan Society for the Promotion of Science encourages highly qualified researchers from the world over to come to and conduct joint research activities with colleagues at Japanese universities and research institutes. JSPS offers five postdoctoral fellowship programs, each with different eligibility requirements." A yellow box highlights the "Pre/Postdocs" section, which includes a link to "Summer Program" and a brief description: "Young pre-/post-doctoral researchers from France, Germany, Sweden, the UK, Canada are invited to Japan over a period of two months during the summer to pursue research".
