Introduction to TOOLKIT Project

"Designing and Managing International Relations, Educational Projects and Mobility Schemes in Asian Universities"

- TOOLKIT is a multinational project co-funded by the European Union in the frame of Erasmus+ Capacity Building Key Action 2: capacity building in higher education. The project consortium includes 3 EU universities and 7 Asian universities.
- TOOLKIT's main aim is the enhancement and modernization of the internationalization strategies undertaken by Universities in Laos, Myanmar and Sri Lanka.
- This will happen through mutual exchange of expertise and practices of internationalization in Asia and Europe.
- The project seeks to develop an Asian own way to internationalization
