## WP3- Training on Project Design and Management March 10<sup>th</sup> 2021

The screenshot shows a Zoom meeting interface. On the left, a slide titled "Technical cooperation schemes" is displayed. The slide content includes:

**Japan Development cooperation Agency**

Technical cooperation is an all embracing term used to describe JICA's practical assistance to developing countries. Depending on the specific project, technical assistance can include the dispatch of JICA experts, the training of local officials for 'capacity development', the supply of equipment or financial assistance. Technical cooperation is one of JICA's three major areas of development assistance, the others being provision of grant and low-cost yen loans.

**Italian development cooperation law art. 24 and 25**

The Italian agency of development and cooperation can directly assign a cooperation project to any sort of Italian public entities in cooperation with local institutions in order to pursue strategic objectives of Italian cooperation

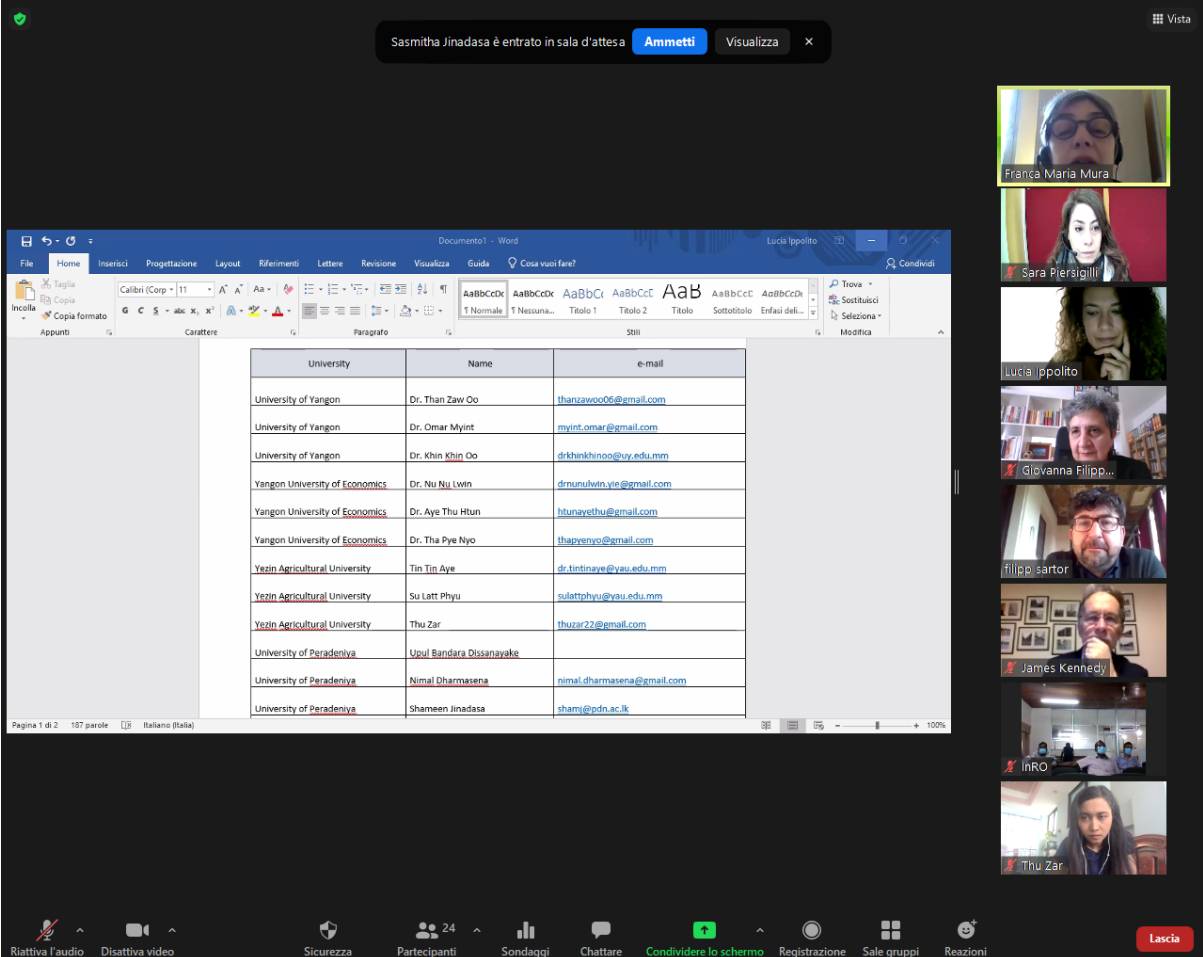

At the bottom of the slide, it says "Co-funded by the Erasmus+ Programme of the European Union" with the EU flag logo.

On the right, a grid of participants is visible. Some participants are shown in video thumbnails, while others are shown as name cards. The names visible include: filipp sartor, Sara Piersigilli, Franca Maria Mura, Computer2, NUOL Team, Lucia Ippolito, James Kennedy, Aye Thu Htun, Palitha DOUAN..., Val Ma, Marta Cocos, Romina Veronic..., Livia Mercatelli, Neelakshi C.
