EQUIPMENT CHALLENGES

Equipment should be instrumental to the objectives of the project and should therefore be purchased at the beginning of the project implementation period and not later than 12 months before the end of the project.

The equipment cannot be used for research purpose only.

Amount of equipment	Tasks to perform
Over 25.000 EUR	Tendering procedure <ul style="list-style-type: none"> Three quotes at least best value for money principles of transparency, equal treatment, avoidance of conflicts of interests
Over 134.000 EUR	Tendering procedure <ul style="list-style-type: none"> In conformity with national legislation

Erasmus+ guidelines for CBHE projects

It is not allowed to split the purchase of equipment into smaller contracts below the threshold.

The thresholds refers to the provider, not to the beneficiaries

PROJECT INTRODUCTION

MAIN OBJECTIVE

- The INNOTAL project aims to build the capacity of universities in the Philippines, Nepal, Sri Lanka and India to embed graduates' employability in their core activities and to facilitate the development of student talent through co-curricular and extracurricular innovation activities involving key stakeholders, with a view to contributing to youth employment, inclusive growth and sustainable development.
