

TOOLKIT WP3 TRAINING DAYS

University of Bologna

I module 10/03/2021
17/03/2021

II module 24/03/2021
31/03/2021

III module 28/04/2021
05/05/2021

Co-funded by the
Erasmus+ Programme
of the European Union

Pre – assignments: participants must submit full proposal and short description of 2 active projects that their own university is already carrying out. **We recommend not to include only Erasmus plus capacity building projects.** Documents must be available also during the training as they will be used for the exercises. Example of Donors.

Please fill in the following table with the info related to 1/2 active projects in your institution and send it back to toolkit@unibo.it together with the 1/2 full project proposals **by Monday March 8th 2021**

PROJECT No. 1 (Proposed Project)

Name of the project	Project for Improvement of Yezin Agricultural University focusing on improvement of Research and Management
Funding institution	JICA
Main objectives	<ol style="list-style-type: none"> 1) Contribute to solving agricultural development issues in rural communities 2) Improve the quality of YAU's research and research-based higher education 3) Establish system/institute for conducting international and regional problem-based research 4) Improve the research capacity of academic staff through joint research 5) Improve education and management system to

	foster human resources
