

TOOLKIT WP3 TRAINING DAYS

University of Bologna

I module 10/03/2021
17/03/2021

II module 24/03/2021
31/03/2021

III module 28/04/2021
05/05/2021

Co-funded by the Erasmus+ Programme of the European Union

Pre – assignments: participants must submit full proposal and short description of 2 active projects that their own university is already carrying out. **We recommend not to include only Erasmus plus capacity building projects.** Documents must be available also during the training as they will be used for the exercises. Example of Donors.

Please fill in the following table with the info related to 1/2 active projects in your institution and send it back to toolkit@unibo.it together with the 1/2 full project proposals **by Monday March 8th 2021**

PROJECT n° 1

Name of the project	SHARE
Funding institution	EU grant funded project
Main objectives	To strengthen cooperation between the EU and ASEAN and to create lasting educational benefits from the harmonisation of the higher education across ASEAN.
Main activities carried out and required to your institution	Received an opportunity of student mobility across the ASEAN and to some EU universities. Learnt much about quality assurance and credit transfer system. The university still needs to develop its capacity in understanding and creation of credit transfer system, in designing qualifications framework and in guaranteeing and raising quality of education.

Main impact in your institution	Students acquired benefits of student mobility programme and faculty members also got European experience on higher education area. University has developed its QA team and IROs in organizational structure and in its skills.
Main budget items	

Er

PROJECT n° 2

Name of the project	CHINLONE
Funding institution	Eramus + Programme of the European Union
Main objectives	To contribute the modernization and internationalization of Myanmar's Higher Education System (HES) in order to facilitate the country's transition toward a knowledge economy.
Main activities carried out and required to your institution	Activities for improving skills in curriculum designing and teaching methods were carried out. Designing the exchange programmes and reorganizing and empowering Universities IROs are still required to UY.
Main impact in your institution	UY faculty members are aware of development of curriculum design and the role of IROs in the university's internationalization and exchange programs.
Main budget items
