TOOLKIT WP3 TRAINING ON PROJECT DESIGN AND MANAGEMENT

PROGRAM OUTLINE

MAIN GOALS

- sharing best practices, expertise in the management of international projects
- rising awareness on the potential and the positive/negative impact of international projects and envisaging strategies to better exploit them

LEARNING OBJECTIVES

- training a group of experts that can set up or reinforce a service unit dedicated to project design and management
- enhancing IRO staff capacity in identifying relevant funding opportunities, drafting successful applications and effectively developing projects' objectives

PROGRAM OUTLINE

METHODOLOGY

The training will employ a "case study" method and be based on team work, analysis of project documentations, practical exercises and discussions

TRAINEES

3 people from Asian partners. They should be IRO staff or faculty members holding a position in the International Relations Affairs or in Fundraising
They are expected to train other colleagues, sharing with them tools and best practices
