Positive and negative comments on the content

It is good if the contents of each slides summarised into bullet points.

Overall, it's very good.

ໄລຍະຜ່ານມາທາງວິທະຍາໄລຂອງພວກເຮົາໄດ້ຮັບເອົາອາສາສະໜັກເຂົ້າມາເຮັດວຽກນຳພາສາຂ້າພະເຈົ້າ ແລະ ຍັງໄດ້ຮັບເອົານັກເອົານັກສຶກສາຈາກ ວິທະຍາໄລເຕັກນິກ ຂອງ ສປ ຈີນ ມາຮຽນພາສາລາວ.

The content was both informative and action suggestive. However, some content overlapped among some presenters.

Internationalisation is good to step forwards the international networking for education development.

The content can give more knowledge for me. It can be a guide line for more universities or institutions to take this content to be a guide line for prepare international exchange program with universities in abroad and also international program in the future.

Content is relevant and useful for participants.

I could learn more in each session.

The content is good, it helps me to enhance my knowledge.

Good for joint this program.

The content is useful for higher education to internationalization acknowledgement.

- There were some positive feedbacks about the informative content although some participants thought that the contents of the slides should be summarized into bullet points and should not overlap among the presenters.

Additional comments/questions

It is good if the participants can access Websites of potential Cooperating Universities or Email Addresses.

A bit lack of detail some point.

ຂໍໃຫ້ທາງມາໄດ້ເປີດກວ້າງໃຫ້ວິທະຍາໄລອາຊີວະສຶກສາໄດ້ຮ່ວມແລກປ່ຽນຄວາມຮູ້ກ່ຽວກັບບັນຊີກສາຕ່າງປະເທດຫຼາຍຂຶ້ນ.

About half of the participants left half day. There should be some way to consider for next presentation.

I learn more about internationalization from this training.

No comments This is a great opportunity for me to learn to know about possibilities of Internationalization of higher education. Because in private institutions we also would like to exchange with universities in abroad too.

No comments.

I sincerely hope that this project will be successful. Good benefits to the educational system in Laos.

When the situation of COVID is allowed all participants should be invited to face to face meeting.

- Some participants were satisfied with the informative content of the training while others complained about some details lacking and about some people leaving the meeting at some point.

Did this TOOLKIT conference contribute to your University's development? If so, how? What lessons did you learn?

Yes, the toolkit conference can contribute our institute's development, so I can use the guideline that I received from this conference in our plan for preparation international program in the future and let develop by seeking the way how to make international exchange program with abroad.

Yes. Managers recognised the importance of internationalisation. Then, they endorse activities and support strategies.

Yes, it makes me learn more about students mobility management.

ຫົວຂໍ້ຝຶກອົບຮົມນີ້ມີປະໂຫຍດຫຼາຍຕໍ່ວິທະຍາໄລຂອງຂ້າພະເຈົ້າ.

The process of documents.

of course, we now clearly know how the process of the documents.

We can share experiences and lessons with each other to raise awareness.

Yes, it did. there's sharing how eu universities' management system runs, to Lao Universities to understand and can be used to adjust into Lao's ones for development, specifically, international mobility

We have learned and experienced many things from this project

has helped in accumulating and comparing the conception system of government colleges ,It has enabled us to actively develop our staff, namely students, to become more international in thinking and maturity.

Yes, the university can improve the quality of academics and administrative work based on the knowledge and resources provided in the conference.

I could get more data and know more how to develop the academic work in the university level. I also leaned about the process of runing activities on student mobility tasks

- Many participants thought that the training was very useful to learn the process of documents and to learn about International Programs.

Other comments

In private institutions also would like to launch international.

It is very helpful that project supervisors monitor project's progress.

It is good topic for the university in Laos.

Thank you for organizing the event.

This would be better if we (SKU) are as the invited participants as offline. We had some problems via online meeting.

Good program.
